

Membership Application Form

You can choose individual or institutional membership. The annual fee for individuals is £60 and for institutions is £120. Institutional membership enables multiple individuals to be included in the membership and up to three members can attend regional meetings. If more than three members wish to attend, there will be a £10 charge per person which will be added to your next membership invoice.

If you choose institutional membership please nominate a lead contact to complete this form including contact details. The lead contact will receive an invoice for the membership fee. It is the responsibility of the lead contact to contact aisa@ukcisa.org.uk if there are any changes to the members during the year.

Membership type (please circle)	Individual	Institutional
Membership fee payable (please circle)	£60	£120
PO number (if applicable)
